Two slides near top of lulu pass

Date
Fri, 02/23/2024 - 10:40
Activity
Snowmobiling

One slide seems to be natural.

just around the ridge, lookers right, a snowmobile triggered slide

rider in photo. Rider was carried downhill, not buried. Very very lucky

the two slide seem to have happened at the same time

Region
Cooke City
Location (from list)
Lulu Pass
