Fraizer Basin/ Avalanche

Date Wed, 01/27/2021 - 20:10 Activity Snowmobiling

Went up for a look around today 1/27/2021. First time up in the N Bridgers for the season. Noticed this old avalanche (over a week old?) on the headwall in Frazier. The crown was already filling in from new snow / wind load.

Region Bridger Range Location (from list) Frazier Basin Observer Name Axel Peterson
