

Whumps and collapsing in the flats - Tepee Creek

Date

Mon, 02/19/2024 - 17:35

Activity

Snowmobiling

Nothing new, but we were in Tepee Creek today. Three of us dropped into a flat meadow on a (wide) ledge, and after sitting there for a minute or less, we all felt a "whump" and collapse. While the meadow had some small rolling terrain, it was flat overall.

Region

Southern Madison

Location (from list)

Tepee Basin
