

Partial Burial at Lionhead

LIONHEAD AREA

Lionhead Range

12/28/2024

Code

AMu

Latitude

44.72920

Longitude

-111.32300

Notes

We received a vague report of a partial burial in the Lionhead area after a snowmobiler unintentionally triggered an avalanche. The [slide](#) was reported to a homeowner near the Denny Creek trailhead. The homeowner is friends with several members of Fremont County search and rescue. One of which happened to be with GNFAC Forecasters today.
